-- All packages include stabilizers, sliders, timelapse, color grading and slow motion --

Coverage: Hours are continuous. We always arrive 15 minutes early to setup. The setup time is not part of the coverage. Splitting the coverage is available for \$100 per person.
Highlight Edit: A 5-10 minute summary of the best moments of the entire day set to music, vows and toasts. The editing style can vary based on your personal preferences.
Short Edit: Up to 30 minutes of ceremony and reception. The most popular choices are processional, vows, rings, kiss, recessional, speeches and first dance. This can be customized.
Medium Edit: Up to 60 minutes of ceremony & reception. Same as short, plus readings, sermons, songs, parent's dances, cake, bouquet & sendoff. This can be customized.
Full Edit: Up to 120 minutes of ceremony and reception. This version has all the important moments of the entire day. Best for longer weddings Catholic or Indian weddings.
Raw Footage: All footage recorded with our cameras and also all of our audio files will be provided to you via download link or USB.
Digital Delivery: Once all videos have been edited, we will provide you a link to download all the footage edited and unedited. If you prefer, we can do a USB flash drive.
USB: All material recorded (edited and unedited) will be included in this usb flash drive. Shipping is also included.
BR/DVD Disc: First, we always recommend Blu-Ray discs over DVD discs. All discs have chapters and covers. The max duration is 2 hours. BR discs will only play on BR players.
Aerial/Drone: Only available in authorized areas. If area is not authorized, we will try to use stock footage. We can't fly in bad weather. There are no refunds for this service.
Stabilizer: Handheld 3-axis gimbals are used to stabilize the camera in motion by removing vibration or shake while moving, climbing, walking or running.
Slider: Sliders provide smooth camera movement on a horizontal or vertical plane (left/right, up/down or backward/forward motion) using an app that controls the speed.
Rehearsal: 3 Hour coverage. We take pictures of the rehearsal ceremony and cocktail hour prior to dinner and we record the speeches after dinner. Everything is edited.
Travel/Destination: Anything outside loop 1604 we charge a \$1 travel fee per mile per vehicle. Hotel fees apply if destination is 2 + hours. Discounts apply for some destinations.
Booking: First we do a contract. We can do this via email/phone/in person. Then payment for 1/3 of total. Payment 2/3 is due 3 months before and last payment 3 weeks before.
Payments/Taxes: We accept all payment methods, but appreciate cash or checks. The local tax rate in San Antonio is 8.25%.
Turnaround/Delivery: Our normal turnaround is 8 weeks after the wedding. Couples will be notified via phone or email on how to download their videos and/or photos.
